INSTALLATION INSTRUCTIONS

DATA EAST USA, INC.

470 Gianni Street. Santa Clara CA 95050

Telephone (408) 727-4490 Toll Free (800) 538-5129 Telex 172163 DATA EAST SNTA

WARNING

This equipment generates and uses radio frequency energy and if not installed and used properly, i.e., in strict accordance with the instructions manual, may cause harmful interference to radio communications. It has been tested and found to comply with the limits for a Class A computing device persuant to Subpart J of Part 15 of FCC Rules, which are designed to provide reasonable protection against such interference when operated in a commercial environment.

Operation of this equipment in a residential area is likely to cause interference in which case the user at his own expense will be required to take whatever measures may be required to correct the interference.

CAUTION

EMI Shield must be securely installed in order to protect against undesirable radio interference.

Schematic diagram for ASAHI model 6352 power supply was not available for inclusion in this manual at press time. Refer any problems to the DATA EAST Service department.

Karate Champ

Game instructions

- 1. Training
- Use this session to learn and to practice the various moves. You
 can enter directly into game play by pressing either 1 or 2 player
 start button.
- Left Joystick controls player's direction of movement
- Right joystick controls player's choice of attack
- Both must be used together to execute the different moves.
- 2. MATCH
- Maneuver YOUR PLAYER to fight against your opponent.
- Move joysticks to execute the various moves (see move chart)
- First fighter to score 2 points wins match
- Player advances to next level for each match won.
- 3. BONUS INTERVAL
- After each match, play bonus rounds to score additional points.
